

Housing Conference testimonials

In February Capability hosted a major housing conference in partnership with the Glasgow Centre for Independent Living (GCIL). The event brought together disabled people and housing professionals to find solutions to the problems that are often experienced by disabled people when they are looking for somewhere to live.

This is what some of the delegates said about the conference:

“I found the conference very valuable, informative and thought provoking and well worth attending” ([Andy Jack, Assist Architects](#))

“Conference materials were received in advance by blind delegates and every effort had been made to make things easy for us on the day. Conference organiser, Elspeth Molony, is to be congratulated on the excellence of her organisation and special thanks must go to our helpers, Jan and Kathleen of Capability and Frank of Guide Dogs.” ([Mary Rasmussen, disabled participant](#))

“The conference was excellent and very educational for all. Thank you for the opportunity to attend.” ([Louise Hunter, South Ayrshire Council](#))

“It was a wonderful day, very informative and fantastic to hear and see disabled people meet up with housing professionals and share feelings and views.” ([Betty Moore, disabled participant](#))

“Thank you for the conference today - I found it very interesting and valuable to my organisation.” ([Karen Owens, Go Independent Ltd](#))

“A brilliant event that brought housing organisations and the community together to look at disabled peoples’ needs in today’s current housing market. Great speakers and very vibrant workshops made this a very informative and worthwhile event.” ([Jackie Maceira, disabled participant - photographed above](#))

“Thank you for your support at the recent housing conference. The focus for the Blackwood Foundation is engagement with disabled people and the conference gave us a fantastic opportunity to meet with a range of people and discuss the issues that matter to them.” ([David Jarrold, Blackwood Foundation](#))
